

WE CANNOT AFFORD
THE OMNIBUS BILL
VOTE "NO"

LEARN FROM THE U.S.A.
More Jails will Bankrupt Canada

JAILS SHOULD NOT BE CANADA'S
HOUSING STRATEGY

HOW MANY JAIL CELLS IS
YOUR PENSION WORTH?

**DEPENDING ON HOW MANY HUMAN RIGHTS VIOLATIONS EXIST IN THE JAILS, IT COSTS
\$50,000 - \$500,000 EACH TO JAIL MOSTLY NON-VIOLENT PEOPLE**

The current American style of longer and more brutal sentences are already causing massive overcrowding of Canadian prisons. U.S. States are reversing these decisions because of human rights violations and because they are going bankrupt.

In order to prevent more people, especially children, from being marginalized, victimized, criminalized, and imprisoned, I would rather spend my tax dollars on:

- public housing
- child care
- pensions
- health care (including mental health)
- public education
- victims and social services
